Homecoming

Winning Junior Float

Crowning of Queen Janet

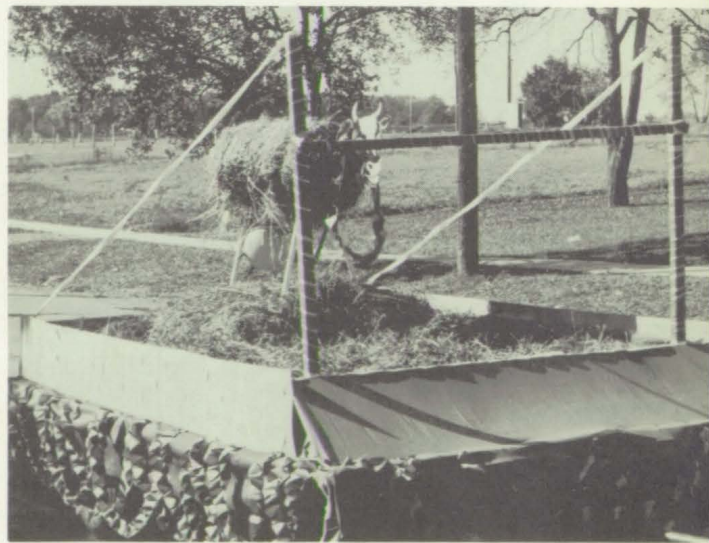

Our Homecoming Queen was crowned at half-time by Mr. Miller. The Student Council sponsored the Homecoming dance at which King Don Gleeson and Queen Janet Brown were honored.

This year's Homecoming proved to be a double feature. A "This Is Your Life, Mr. Miller" Program was presented at the half-time of the football game. Mr. Miller was honored for his many years of teaching and guiding the students at Vassar High. He was presented a camera, projector and screen as a token of the schools appreciation of his fine work.

Our music department showed great development this year. The band demonstrated abilities beyond all expectations, both as a marching and as a concert band.

During their marching career the band delighted the football fans with a circus routine complete with music, clowns, acrobats and a motorcycle daredevil! One half-time performance included a "This Is Your Life" program for Mr. Miller. He received camera equipment in appreciation of his invaluable service to our school.

A lot of extra preparation readied the band for one of its most important engagements to date, a half-hour concert for 2400 teachers in the Saginaw Auditorium.

As usual, the band and choir joined in the presentation of the Annual Christmas Concert, and then, in February, the band went to the District Festival and received a straight DIVISION I RATING, but, we are sorry to say, they were not able to repeat this when they traveled to Ann Arbor and the State Festival.

As a climax to the year's activity, the music department presented an annual Spring Concert which was very well received by a large audience both evenings. Both the band and the choir ended the year with the wonderful feeling that they deserved for a year of activity, WELL DONE!

The Lloyd Miller Future Teachers Club, was organized last year. Its main purpose is to help and give some knowledge of what teaching is really like. Some of the activities are taking care of a teachers class for an hour or more, and going to Townsend North School for play ground duty. In order to keep a record of how many times a member performs one of these activities, the club has a point system, in which a member receives one point for each hour of duty. Officers for this year are: President: Pat Schaberg, Vice-President: Marilyn Brown, Secretary: Karen Gulliver, Treasurer: Mary Gray.
