# D E D I C A T I O N

To Mr. Lloyd "Coach" Clark we dedicate this yearbook. Coach Clark has been a friend to all the students whether he knew them personally or not. With his faithful guidance, we have won many battles on the baseball diamond and in the classroom. We are very sorry to see him leave the school faculty, and hope that he will be as successful in his new type of teaching as he has been in our school. We will sincerely miss him.

# TRACK

We have had an exceptional track team this year, breaking records left and right and bringing home the trophies. Jim Colosky has set a school record for shot-put distance at 52' 10 1/2". Dick Petty, our pole vaulter, has also set another school record by going for 12' 4" and making it. Our freshman miler, George Miller, came up with the astonishing time of 4:43.9, a new conference record. Our prospects for next year's team look very good because most of the team are underclassmen.

# BASEBALL

ROW TWO: Johnson, Lich, R. Hoover, Miller, Shannon, W. Hoover, Gawne, Nunn, Waterman, Coach Clark.

## LIV MEETS V.H.S.

This year we welcomed our first exchange student, Liv Christiansen, of Larvik, Norway. Entering as a senior, she became one of us in study and play, and while consistently maintaining a high standard of scholarship, took part in many extracurricular activities, particularly dramatics.

An assembly program gave us all an opportunity to learn more about her country from her, and since the purpose of the exchange program is to promote better understanding between countries, she spoke also before many community organizations. Liv has well represented her country as a goodwill ambassador, and many of us are hoping to visit Norway sometime.
