The biggest improvement in the fall journalism staff, according to advisor Mr. O'Conner, is in the student's writing abilities. A new printing process and headline printer improved the paper's appearance.

"The Freshmen Cheerleading Squad consists of eight members and one alternate this year. So far, the girls have competed in competition twice. At the Mid-Michigan Cheerleading Clinic in November they place first in the Freshmen division and first in the Mount Competition over all the squads attending, Varsity, Junior Varsity, and Freshmen. They also took first place in their division at Kingston in December.

The Junior Varsity Cheerleading Squad also consists of eight members. This squad is a hard-working squad. They worked most of last summer to earn money to buy new sweaters. They have attended competitions as well and have earned the title of the most spirited squad by winning the Spirit Award at the Mid-Michigan Cheerleading Clinic." Miss Querry

Varsity Cheerleaders

On this year's varsity cheerleading squad there were eight seniors and one junior. The girls received attractive new uniforms of black, orange, and white. The cheerleaders expressed school spirit by leading spectators in cheering for the football and basketball teams. At the pep assemblies, they introduced several new cheers and routines.
