It was almost time for a new beginning in Vassar. The days were growing shorter and the night air was becoming cooler, but there was tension in the air. Vassar's school was out of money and a new year was about to begin. The request for more money was already refused twice.

The odds were against the proposed renewal of 13 mills and an additional 8. On March 4, 1985, the proposed millage was defeated by 141 votes. The second vote held on June 10 was defeated by 263 votes.

A third vote was scheduled for August 26. This time the school dropped 3 mills asking only for renewal of 13 and an additional 5. Local news broadcasts and other media were full of updates and opinions about the proposed millage. Many people interviewed said they felt the increase was way out of line. The future of Vassar High school was beginning to look dim.

The suspense was great on Monday, August 26, as a record number of citizens marked the ballots that meant the difference between success and failure. The weather was pouring rain, but many students stood outside and held signs to encourage voters to give them another year at Vassar Schools.

As we all know, the millage passed by over 300 votes. All threats of the splitting up of our school were gone. The school's sports and curriculum were safe and another year began. Many thanks are in order to the many people who worked to pass this millage.

# 1985

The 1985 Homecoming was held October 4, 1985. The theme of Homecoming was fairytales.

During Spirit Week the classes had a chance to show some school spirit by building floats and decorating their respective hallways. As the day of Homecoming came closer, there were many long hours spent putting the fin-

ishing touches on these projects.

Before the game, the band, cheerleaders and class floats livened up a rather dreary day (remember how it poured!) by showing their class spirit during the big parade.

After the parade most Vulcan fans could be found at the football field, braving the rainy weather. But the downpour didn't stop the Vulcans from showing Imlay City who was boss! By half-time Vassar was ahead with a score of 26-0.

There was much excitement during half-time as the contest winners were announced. The Sophomores took the winning class float award with their "We'll Huff and Puff and Blow Them Down!" The Seniors were the overall winners in the spirit week competitions.

Finally, the time came to announce the 1985 Queen. After the ballots were tallied, the winner was Kristi Mead, who received her crown from Betty Hall, the 1984 queen.

The Vulcan fans can look back on the 1985 Homecoming with a lot of pride for their sportsmanship in the competitions during the week and for the big win (46-0) over Imlay City.

# Space Shuttle Challenger Explodes

BillDay Detroit Free Press

Reprinted with permission of Bill Day.

Space Shuttle Challenger was 72 seconds into its 10th mission from Cape Canaveral on Wednesday, January 29, when a brilliant ball of incandescent flame erupted in the clear blue morning sky. The \$1.1 billion shuttle exploded over the Atlantic Ocean leaving no trace at that time of its seven crew members. It was the 25th shuttle flight ever.

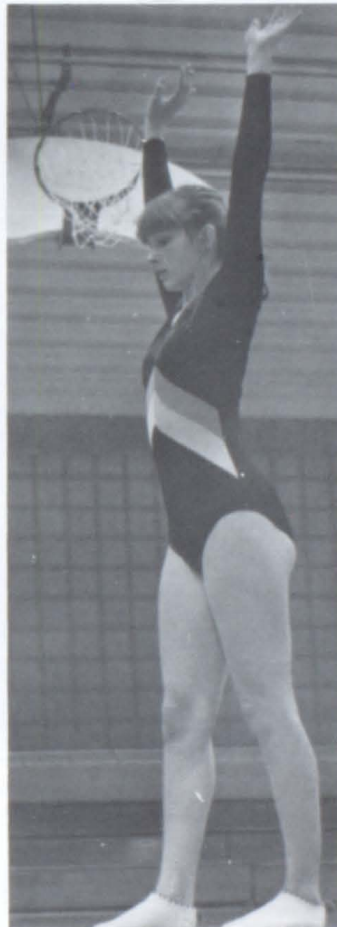

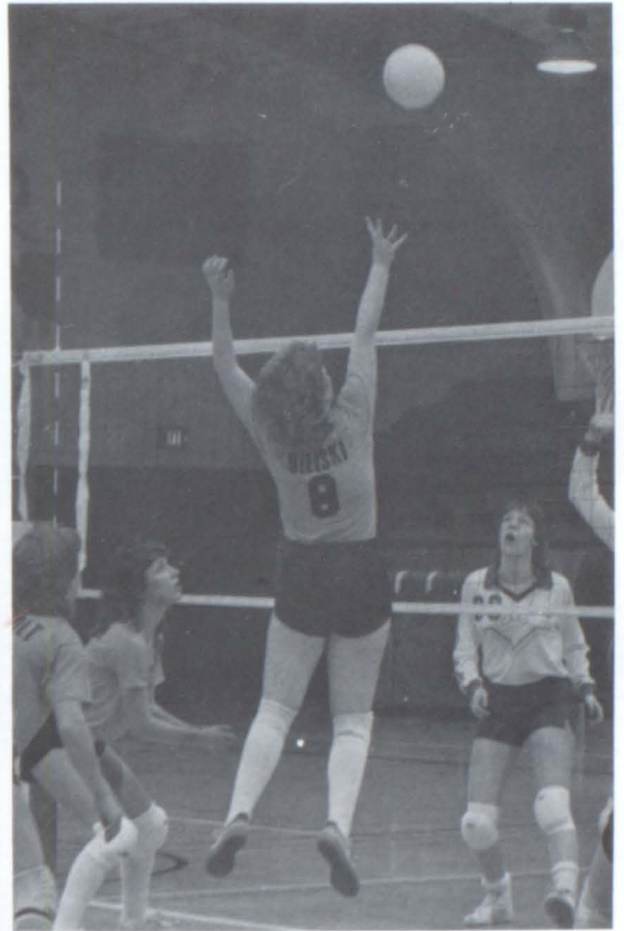

It was a national tragedy unequalled since the assassination of John F. Kennedy and Martin Luther King. Newspaper and TV reporters reviewed the tragic explosion throughout the afternoon and the following week. President Reagan postponed his state of the union message, telling the nation in a brief statement that "this is the day for mourning and remembering" the crew of Challenger. The cause of the explosion was uncertain, although it is believed to have been caused by faulty solid rocket boosters.

Challenger crew members were Francis "Dick" Scobee, Michael Smith, Judith Resnick, Ellison Onizuka, Ronald McNair, Gregory Jarvis, and Christa McAuliffe, the celebrated New Hampshire social studies teacher chosen to be the first ordinary citizen in space.

For those of us who watched the launch and saw the re-runs of the accident, it was a moment of growing up. Like our parents with the Kennedy assassination, it changed our lives forever.

# 1985 Cross Country TBA Champs

The 1985 Boys Cross Country team, under the direction of Coach Dan Johnson, took home the first TBA Cross Country Championship since 1974!!! The Girls team finished second in the league defeated only by Caro. The Boys overall record was 12 wins and one loss and the girls overall record was nine wins and one loss. The Boys took home a total of five trophies, four on their own and one with the help of the Girls.

Later in the season at the Frankenmuth Invitational the Boys again received a trophy for second place and with the girls score combined both teams received a second trophy for first place. At all invitationals the Boys improved and did better than previous years. In the struggle for the league title the most competitive teams were Caro and Marlette. # 1985-86 Boys' Basketball

The Varsity Basketball team finished the year tied for fourth place in the league. Its record in the league was 7-7, and its overall record was 9-12. However, the team proved it was better than its record.

The team only lost to the TBA champs, Laker High, by two points and to Frankenmuth in the districts by four points. The team suffered a heart-breaking loss in district play to Millington on a last second shot.

The team won two games from arch-rival Caro, Imlay City and Marlette. It played well against Millington and Reese in regular play. Seniors Aaron Fletcher and Randy Miller were called upon to lead a young Vulcan team. For their efforts, they received All-Conference honors. While the team may have lacked experience last season, it had a tremendous desire to do well, a desire we expect to see carried over into next season.

The Vassar JV Cheerleaders attended Cheerleading Camp at SVSC in August of last summer. The days were long and hot with lots of hard practice and lots of cheering! But all of the practice paid off. On their last day at competition the girls received four blue ribbons and one red. They also received a red spirit star for having the most spirit!

# "Fiddler On The Roof"

On the evenings of March 20, 21, and 22, Vassar residents were entertained as well as amused as the Vassar High Thespians presented "Fiddle On The Roof".

"Fiddler" was about a small Jewish town in Anatevka where the rules of tradition were being changed.

No longer did a couple need a matchmaker to get married; no longer would the czar leave the Jewish people in peace; no longer would the village stay as it was.

Mike Bauder portrayed Tevya, the kind dairyman who tries to maintain his traditions in a world that's constantly changing. Mike's powerful voice filled the auditorium with heart touching monologues and songs such as "If I Were A Rich Man" and "Life".

Leading lady Beth Timm also deserves praise for her portrayal of the bustling Golde, wife of Tevya and mother of five daughters.

Everyone did an excellent job. "Fiddler On

The Roof" turned out to be a performance of which we can all be proud. A special thank you to the directors, Mrs. Marilyn DeGraw and Mr. Mike Karpovich.
