# Friends

## Friendship Defined In Many Ways

What do you consider a friend? Is it someone who listens to your problems when life is getting you down or is it someone to share fun times with? Does this person know your most private secrets and your fears? Do you share your horror stories about dating and trust them enough to know they're not going to tell the whole school? A true friend is all of these, and everyone needs a friend to survive in this world.

During our high school years we have many friends. We talk to them throughout our school day and after school. Together friends go to games, go shopping, see a movie, cruise around, attend a party, and just hang out. Friends almost always have something in common. It

could be a sport, a club, or another friend. Friends are a big part of our lives.

To have a friend is to trust, to place confidence in and to depend on. Learning to trust someone takes a long time, but once you have learned you have a real friend.

A friend is truthful. Truthfulness in a friendship must start from the very beginning. To be truthful even to a friend may sometimes be hard, but that's when the bond between friends is challenged.

A friend is loving. Love is made up of patience, kindness, and unselfishness. To have a friendship is to have love, and everyone needs to be loved.

The 1990 Homecoming Queen is Jill Colosky.

The seniors cheer with excitement during the homecoming pep assembly; junior Mike Messer pulls with all his might during the tug of war game; Mr. Heckman really gets into the beat.

The Vulcan fans roared with excitement as Jill Colosky was crowned the 1990/91 Homecoming Queen at half-time on Friday, September 28.

Following the theme of scary movies/books, the senior and the junior floats tied for first place in the float competition with a score of 370. The senior float, entitled "Vulcan Shop of Horrors", was inspired by the movie "Little Shop Of Horrors". The junior float, entitled "A Nightmare on Athletic Street", was inspired by the movie "A Nightmare on Elm Street".

The freshmen came in third with a score of 350. Their float, entitled "Bronchos Have Vulcanphobia", was inspired by the movie "Arachnophobia". The sophomores came in fourth with a score of 180. Their float, entitled "The Night of the Living Vulcan", was inspired by the movie "The Night of the Living Dead".

The homecoming pep assembly was filled with excitement! During the spirit jug, the seniors abandoned the stands and surrounded the judges shouting their battle cry. The juniors then ran out of their stands and invaded the senior section. In the end the juniors were again victorious and won the spirit jug which added another 25 points to their score. The seniors, however, used their great muscular strength to defeat the juniors and place first in the tug-o-war contest.

The juniors triumphed overall and came in first place with a combined score of 810. There was a close run for second place between the seniors and the freshmen. The freshmen ended up second with a combined score of 715. The seniors took third place with a combined score of 710. The sophomores placed fourth with a combined score of 370.

During the football game, the Vulcans were down by the North Branch Broncos, 60-28.

The juniors and seniors show off their shirts on Graffiti Day; The Sophomores prove hall decorating can be fun.

The 1991 Comehomeing King is Steve Smith.

Comehomeing 1991 was a week to remember for the Vulcan fans at Vassar High School, as well as for Steve Smith who was named Comehomeing King. This week was a week to express our everlasting PRIDE and SPIRIT along with the traditional class competitions. The Vulcans began spirit week by dressing up on Monday for College Day. Tuesday was Doo-Rag Day and Wednesday was Hippie Day. To show our support for the men in the gulf we choose Thursday for red, white, and blue day. Friday was the all around traditional orange and black day.

The theme for the decorating of the halls as well as the banners was Snack Foods. The themes for the classes were: Seniors, "The Vulcans will RUFFLE your Feathers"; Juniors, "We will CRUNCH and MUNCH our Way To A Victory"; sophomores, "We got the COMBO Nation for a Vulcan victory; and Freshman, RIPPLIN POTATO CHIPS "Rip Into the Cards There's No Holding Back." First place winners in the decorating of the halls were the seniors; second place, freshmen; third place sophomores and last place juniors.

For theme banners the seniors came in first place; tying for second place were the juniors and freshman and last place were the sophomores.

Last, but not least, for spirit judging the freshman took first place, shocking the juniors who took second place. Third place was given to the sophomores and last place was taken by the seniors.

Students at Vassar High were introduced to another part of the world through Oradee Siriboonvinit (YIM), a foreign exchange student from Thailand.

Yim stayed with Larry and Virginia Miner whose daughter Sherri is a junior. When asked what she thought the differences are between the USA and Thailand, she replied, "The USA has a lot more freedom, but Thailand has many more traditions to follow."

**Class Motto**

We walk these halls  
for one last time,  
Knowing these past years  
were hard to climb.

But here we are  
on Graduation Day,  
And the goodbyes we have  
are so hard to say.

We've been through so much  
these past couple years,  
Meaning the fun and the laughter  
and even the tears.

We've all pulled together  
to fight and we've won,  
So good luck in the future  
to the Class of '91.

Trisha Lee  
(1972-1989)

## Friends In Life . . . Friends Forever

A tragic car accident claimed the lives of Jerry Warner and Trisha Lee on July 6, 1989. Jerry and Trisha were very special to many of us and will always hold a special place in our hearts. Both were active members of our school.

Jerry participated in golf, J.V. Baseball, Varsity Club, Spanish Club, Pep Club, and the play, Brigadoon.

Trisha was involved in Volleyball, Track, Color Guard, Band, and Pep Club. She was also the Vice-President of our class and was elected to the Student Senate for her junior year.

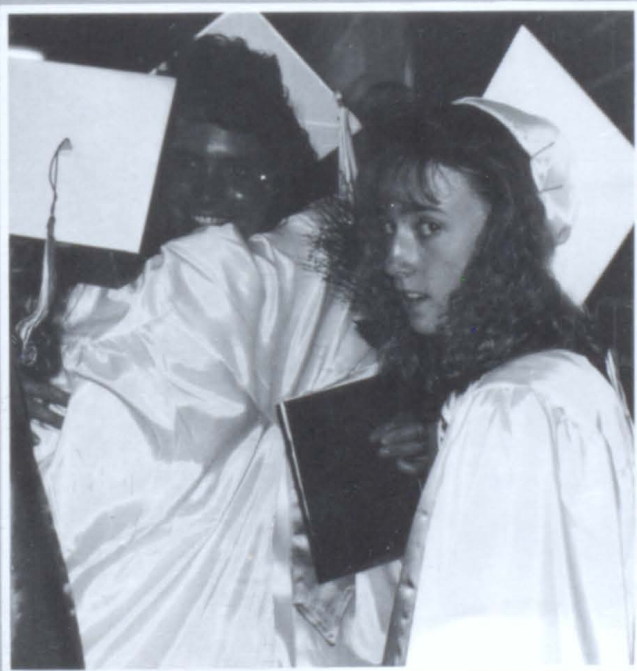

Whether they were our best friends, members of the same athletic team, or students in the same class, they taught us that we are all a very important part of each others' lives. They brought us together and made us realize that some of the friendships formed in high school can be the most caring and loving friendships ever made — friendships that will always be treasured and never forgotten.

1991

Congratulations to Brenda Becker for winning the Senior Alpha Beta Award.

# LOCKERS

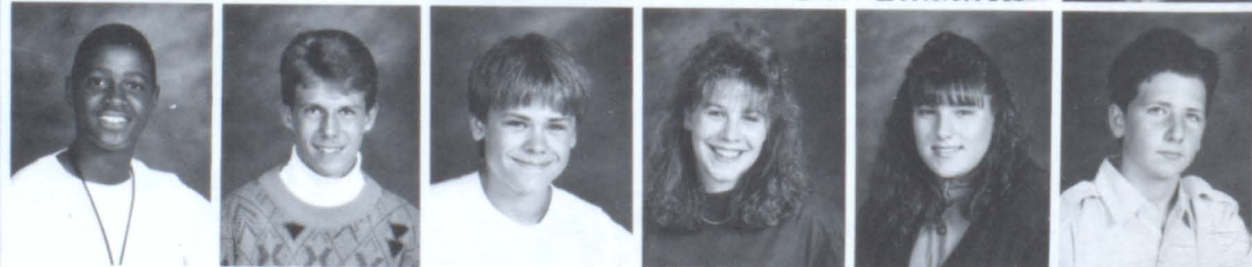

Lockers. Our room away from home. The one room you can mess up and not have your mom yell at you to clean up. Some students choose to keep lockers cold and impersonal, but most put quite a bit of personality into theirs. Why open your locker and see nothing but a pile of dull books when you can see pictures of rock stars and other famous faces? Students also use lockers to say Happy Birthday or good luck at a game. Decorating your locker has become a tradition, because lockers are more than just a place to stash your books!

## Russian Coach Visits Vassar

Soviet National Volleyball coach, Leonid Berezin, visited Vassar schools for one week. While he was here he shared his experiences and stories with various classes. The visit was part of many stops Berezin made to Tri-Valley and future Tri-Valley schools. He visited nine schools in all. While Berezin was in Vassar he stayed with Mr. and Mrs. Schian.

During his stay Berezin visited the volleyball team and gym classes. Back home in the Soviet Union Berezin's entire occupational time is devoted to coaching the national volleyball team. He has also been very active in organizing exchange programs between Soviet students and American students. One program he worked on was a basketball exchange. One player from each of the TVC schools, representing Michigan as well as the United States, will go to the Soviet Union. While there the players will tour Moscow and play against Soviet teams of the same age group. Senior Troy Stewart was chosen to represent Vassar.

Hopefully, Berezin received as much from his stay in Vassar as Vassar received from him.

## Deike And Gleeson Poetry Published

Senior Bobbi Deike and freshman Stacy Gleeson have both had their poems published in the book Of Diamonds and Rust, Vol. II. Their poems were picked for publication as a result of the 1990 North American Open Poetry Contest. Out of over 50,000 poems sent in for the contest, Bobbi and Stacy's were two of the very few chosen.

Stacy wrote her poem in eighth grade for a project in her English class. Stacy says poetry is just a hobby and commented that once she has a beginning line for a poem she can easily finish it.

When Bobbi was asked how she felt about the whole thing she simply said, "I was bouncing off the walls!" Bobbi also said that sending in her poem was just an impulse and she never expected anything to come out of it."

## Student Turns Coach

On Wednesday, January 16, the United States went to War and so did Robert Smith. Steve Smith, with thoughts of his brother in the back of his mind, went to wrestle.

Steve Smith, a senior, is varsity wrestling co-captain at Vassar High. Steve commented, "I just try to concentrate on wrestling and homework, because that's the way my brother would want it." Wrestling is more than a sport for Steve, he also has the responsibility of assisting Ernie Huizar as assistant coach.

# Coach Johnson Receives Award

Vassar has something special in its athletic program. It has a very dedicated and hard working athletic director, Mr. Dan Jonson, and now Johnson has been recognized for his hard work by being nominated for athletic director of the year for the Thumb and Tri-City region. The nomination is for the 1991-1992 season.

Regional Director for the Michigan Interscholastic Athletic Administrators Association (MIAAA), Mr. Dan McShannock, proposed that Johnson be named athletic director of the year for the region.

About being nominated, Johnson said, "I was very surprised when I was notified, and I am very excited."

A strong part of the reason that Johnson was nominated, was the effort he put into the new athletic complex at Vassar High School, which is still in progress.

## Students Win Over Faculty

On Friday, January 25, the faculty at VHS challenged some of the students in a charity basketball game. All proceeds went to the Close Up program at the high school. The day of the game saw both teams wearing their respective jerseys. Signs were plastered all over the school announcing the game. More signs were put on the teachers doors that participated in the event.

"It was for a good cause and I think all the students had fun. I had a lot of fun," Principal Dan Heckman commented.

The game started with the introductions of the starting line-ups from the Master of Ceremonies, junior Matt Lee. The first half was close until late in the second period when the students hit many three-pointers to give them a 20-12 halftime lead. The second half saw the faculty score only four points, while the students posted 16 en route to their 36-16 victory.

Student coach Ben Guile stated, "I feel as the coach my team played aggressive, intelligently, and good from the perimeter. They also did as they were told."

"The game was good and next year the faculty will practice twice as hard. I haven't had this much fun putting this game together in years!", faculty coach Emily Becker added.

## Australia Bound

"Good-day mate!" might be the greeting Jackie Mead, VHS student, will receive as she steps off the airplane in Australia on June 28.

Jackie is part of the American Intercultural Student exchange (AISE). She will be staying with her host family for eight weeks in Figtree Pocket in Queensland, Australia. "The biggest change will be going from two American sisters to two Australian brothers," stated Jackie.

One requirement of the AISE is that Jackie has to go to school while in Australia. She will be attending Kenmore High School. The big difference from VHS is that Jackie will be required to wear a uniform.

While not in school, Jackie plans to be taking several trips with her Australian family to the Gold Coast and some Australian islands. Jackie is also planning to do a lot of flying with her "brother" who's a commercial pilot.

Jackie said, "the whole thing so far has been a lot of work but hopefully it will pay off."

The Vassar Vulcans Golf Team has played tough throughout the season.

The Vulcans faced the Mayville Wildcats on September 25. The final score was Vassar 192, Mayville 206. The medalist for the team was Scott Williamson with a 46.

On September 19, the Vulcans teed off with the North Branch Broncos. Defeating their opponent by a score of 172-201. Senior Tom Stolz shot a 43.

The Vulcans started out hot by defeating the Bay City All Saints by 20 strokes. They also shot a 477 to place them in the middle of pack at the Midland Invitational.

Although the golf team has played well this season, they have had some disappointments. The Vulcans dropped one to the Millington Cardinals after shooting their best score of the season — 170.

"The golf team showed great improvement this year. We went from a 1 and 9 record to 7 and 3. The three losses were league losses and hurt in the standings. Outlook for the future is bright with many young talented golfers, but then we're switching to a tougher league," commented Coach Simpson.

# J.V. Season

The Girl's J.V. Basketball team finished its season with an overall record of 3-17. The remainder of the season held many upsets for the Lady Vulcans, but the team members were never discouraged. With a young team the players gained much knowledge and experience that is sure to pay off next year. The team was victorious against Mayville, Reese, and Bad Axe.

Karen Acord, one of the players, comments about her team, "I feel our team is improving each day, but we all need to improve on working together as a team."

Heather Stewart, one of the players, commented that the team's goal was to keep on going even if they didn't win that many games.

The main contributor for the season was Tara Withers with 248 pts.

### But Team Loses

The Varsity Basketball team ended its 1990-91 campaign with a record of 7-13 overall. Seniors Troy Stewart and Lionel Wallace played the entire season with much intensity and desire. Senior Matt Paquette also played with a lot of emotion during his final year.

Many of the Vulcans' defeats were games that were lost late in the game because of fatigue. When the Vulcans did earn a victory, they did it by out-playing the opposition on both ends of the court.

Juniors Matt Heckman and Jeff Hecht saw plenty of playing time. Heckman kept the Vulcans in the game when they were defeated at home in double overtime by the Marlette Red Raiders.

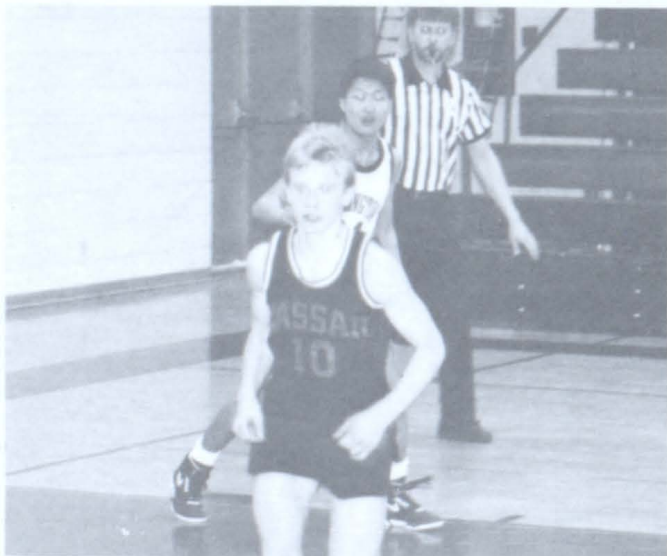

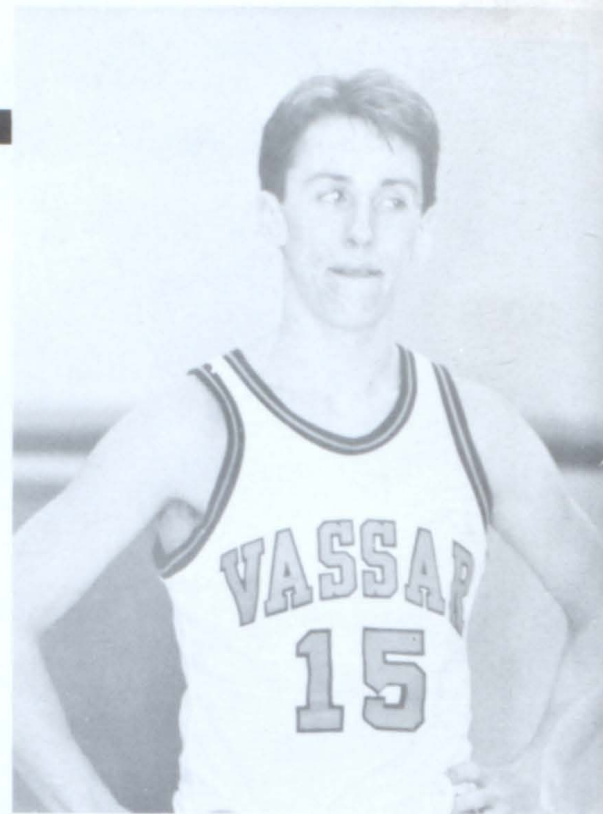

Junior Brandon Hornung and Sophomore Tom Eaton contributed late in the season for the Vulcans. Hornung would come off the bench and spark Vassar with a three-pointer or a 15 foot jumper. Eaton was moved up to the Varsity and hit his share of three-pointers. He also helped out on defense.

## Varsity Swings Into 1991 Season

The Varsity Baseball Team capped off its season by winning 24 games and losing nine. The Vulcans were strong throughout the season, winning the close ones and also beating teams with some new found strength. Last year, the Vulcans only managed two home runs. This year there were eight caroms over the fence.

The highlight for the Vulcans was winning the consolation round of the Tuscola County Championship, finishing second place in the TBA. The team went on to win the first three games in district play before valiantly losing to the Millington Cardinals 1-0 in extra innings. For the second year in a row, the Vulcans lost the district championship.

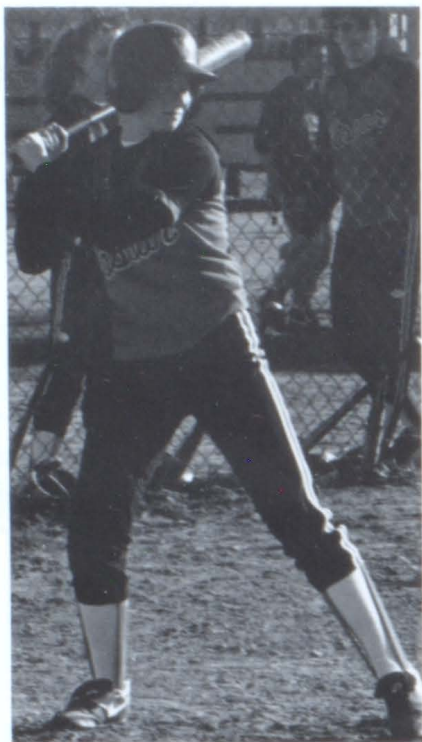

Outstanding individual play led to All-Conference First Team honors for pitcher Dave Reinfelder and infielder Tom Eaton. Second team honors went to infielder Jeff Hoover. Catcher Matt Grimshaw and outfielders Matt Heckman and Chris Flathau earned Honorable Mention.

"This was a very satisfying season, except for the depressing loss in the district finals. But, I am looking forward to another successful season next year," commented varsity player Brandon Homung.

With an "always improving" team, the Vulcans ended up 5th in league standings. In the pre-districts the Vulcans faced Caro and were defeated by a mere one run. April Moul commented, "The team's pitching was the main problem this year, but the team's defense was very exceptional. If the pitching is improved, they will be an outstanding team in the near future."

The Vulcans were successful in defeating the Kingston Cardinals and the Caro Tigers. This season's record was 3-23. Even though the record may not show it, all of the team members put a lot of hard work and effort into all the practices and games. The team struggled through long hours of batting practices and terrible weather.

Players receiving All-Conference awards were: Jennie Huizar and Melissa Farnum, Honorable Mention All-Conference; Jill Colosky 2nd Team All-Conference Outfield.

Most Valuable Player for the 1991 season was Andrea Davis. Most Improved Player was Julie Bekemeier, and the Coaches' Award went to Kris Miller.

# Meet Of

The 19th consecutive Thumb Meet of Champions was held at Caro high school on May 28th. The opening ceremonies, which kicked off the rained out meet, gave each of the 30 competing schools a chance to unite. Reigning over the Meet of Champs were the homecoming queens of each school. Representing Vassar was a member of our homecoming court, Holly Coleman. Together the Thumb royalty presented 350 medals awarded to the six medalists in each event run before the rains came.

During the opening ceremonies the Thumb Friends of Youth award was presented to an adult who was chosen by the Boards of Education from each school. Mr. David Hall was Vassar's recipient.

Girls who placed were: Barb Guile with a third-place in the high jump; Kim Knoll with a fifth-place throw in the shot put; and the sprint relay team of Kerry Krumnauer, Teri Putman, Shonda Hipkins, and Heidi Bouck captured fourth and sixth-place.

Competing in the field events were seniors Kim Knoll, Steve Smith, and junior Barb Guile. Knoll placed fifth in the shot put event while Smith received first place in the discus. Barb Guile received a third place medal for the high jump.

Shonda Hipkins and Joe Pintar each competed in a hurdles event. In the 100 meter hurdles, sophomore Shonda Hipkins captured fourth place. Senior Joe Pintar ran in both the 110 meter hurdles and the 300 meter hurdles receiving a first place medal for the 300 meter hurdles event.

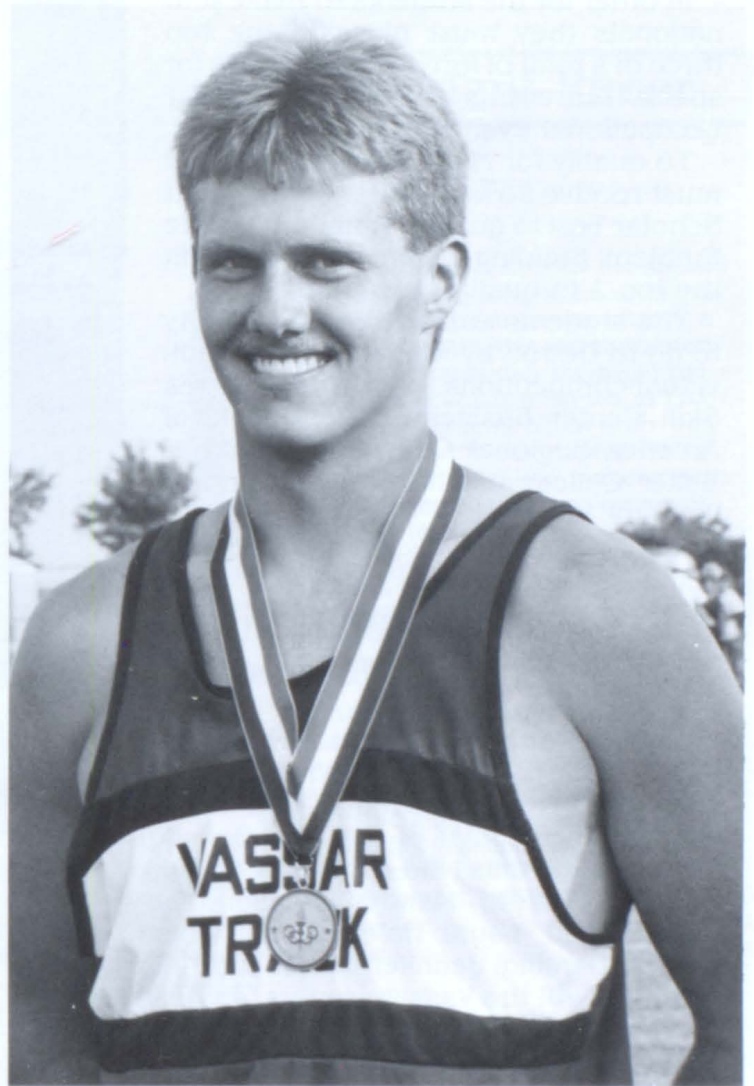

Other boys who placed were the 400 meter relay team of Pintar, Lloyd Jobson, Randy Knoll, and Chad Waterman, which took fourth. The same combination placed sixth in the 800 meter relay.

The five students are: Jeremy Bickel and Mike Baker, Merit Scholar and Emblem Building; Jeff Gamet, Region 7 vice-president; Bridget Babcock and Katrina Smith, Merit Scholar.

In order for the students to make it to nationals they must place in the top three of a total of forty-eight students for specialized events and the top five for occupational events.

To qualify for Merit Scholar a student must receive 90% or better on the Merit Scholar Test to qualify for nationals. The Emblem Building Team must place in the top 2 to qualify for nationals.

The students earned the opportunity to go to Detroit by winning in their individual competitions at the Tuscola Area Skill Center Business Professionals of America Regional Competition held at Baker College of Flint the weekend of January 12.

# TAKE A

## Colosky Earns Honor From 4-H

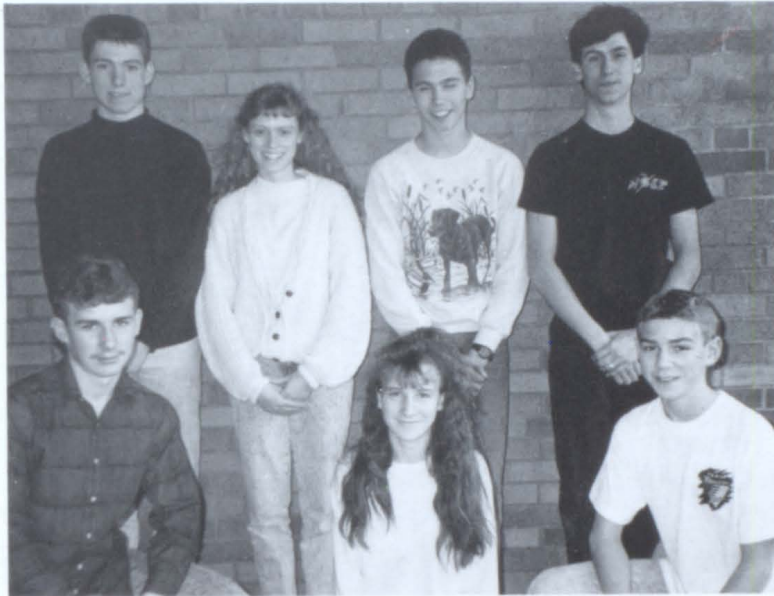

During the week of Nov. 14, Rick Colosky, senior, was in Kentucky representing Michigan in a National Poultry and Egg Conference. Rick was one of four from the Michigan team who was chosen to judge poultry.

Rick is a member of the Frankenmuth Pacesetter's Club where he works with leader Les Dale on his poultry judging skills. This past July, Rick was in competition at Michigan State University where he became one of the top 4-H students in poultry judging skill. While in Kentucky, Rick received a fifth place medal competing in the Avian Quiz Bowl. A total of 21 states were present at the competition.

Rich has been an active 4-H member for 10 years and he is presently serving at Tuscola County's 4-H King.

## Cross Country Families

The 1990 Vassar High School and Junior High Cross Country Team had three different families competing against one another: Shane and John Wachowicz; Teri and Ray Putman; Gabe, Chris, and Kate Fall.

When asked what it's like competing with his own brother Shane, a sophomore, replied, "You push yourself because you want to beat the other," and John, a freshman, agreed. Each runner is trying to break records, set new ones, and make it to state.

Gabe Fall is a freshman, and Chris Fall is his younger brother. Next year, when Chris is a freshman, the two will be competing quite often. Kate, a seventh grader and the youngest of the family, became interested in running because her brothers were participating in it.

The Putman's, Teri and Ray, both run, but do not compete against one another. Teri, a senior who has enjoyed running since field day in grade school, says this year she wants to improve times and give her best to the team. Ray, a freshman, would like to beat the record for the half and quarter mile.

Looking at all three families you see a lot of competition as well as encouragement. While each runner tries to give encouragement to his family member, each is also trying to do the best that he or she can.

## Student Racer

Some may think that the age of four is too young to be driving a motorcycle, but for Dan Kaatz, a senior at VHS, this was the perfect age. That was only the beginning. At age seven Dan started to race them himself. When Dan was young his father, Daniel Kaatz, built and repaired motorcycles which got Dan hooked on motorcycles at an early age.

Since Dan started racing in 1981, he's raced seven bikes, won 8 trophies and also won over \$2,000 in prize money. Dan is currently racing a Suzuki with 1400cc, a \$20,000 track bike which does 146mph and does the quarter mile in 9.17 seconds. During the summer Dan races mostly in Ubly, MI, where in 1989 he was named Track Champion. He has also traveled to Indianapolis where in 1989 he placed in the top eight out of 200 competitors.

# Music

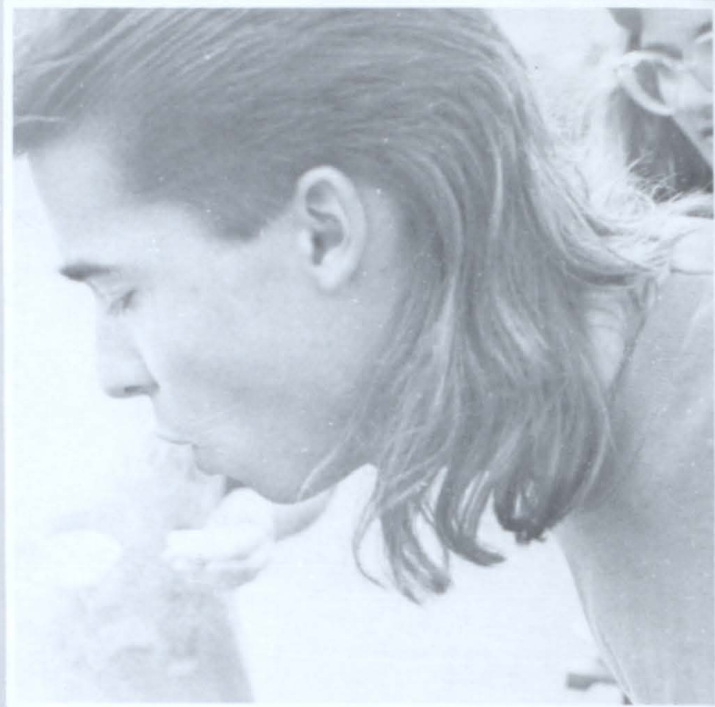

What keeps the "pep" in a Pep Assembly? What makes the Homecoming Parade come alive? What provides entertainment all year? For us here at Vassar, it's our music program under the direction of Mr. Pepera and Mr. Hengy. The Marching Band keeps us in line during the football season; the Jazz Band lets loose with its swinging style, and the Symphonic Band helps us to remember the music masters. The Choir adds a touch of class to every event it appears at and the Pep Band helps keep our spirits high, no matter what the score. Their many long hours of hard work and dedication show in every performance they give. Together the music teachers and students add much to our school community.

The gymnasium was properly decorated as the cruise ship's ballroom complete with a romantic view of the ocean at night.

“Where’s the tape?” “What happened to the rubber cement?” “I can’t find the picture!” “Where’s the ruler?” “You want me to do what?” “Mrs. Russell . . . help!” All of these questions, comments, and desperate cries are common for anybody in the journalism class. It’s so difficult to explain exactly how much time and work goes into each newspaper layout and yearbook copy from every journalism student. This year’s journalism team worked hard and tried to satisfy its readers.

Both the Vulcan Voice and Echo staff work during the same hours. The atmosphere of mass chaos and confusion is undeniably real, but with the help from the editors and our advisor, everything gets done — (sometimes to our amazement!).
