# HOMECOMING

After weeks of preparation and excitement, Homecoming Week finally arrived. Each individual grade showed off its school spirit by participating in the spirit days.

As an added incentive this year, spirit awards were given out in each homeroom to the student or students who showed the most school spirit each day.

The week started out with Monday being Clash Day. Many students came to school looking as though they had chosen their clothes for the day with their eyes closed.

Tuesday multiple sets of twins filled the halls for Doubles Day.

Grade levels were easily spotted on class by Color Day. With the Seniors dressed in red, Juniors in blue, Sophomores in green, and the Freshmen in purple it was not uncommon to see groups of one color traveling to classes.

Thursday brought out the most unique and exciting hats ever known to man from sombreros to stocking hats and everything in between.

Spirit Week ended with the traditional Orange and Black day on Friday. Various games were enjoyed by everyone at the pep assembly during sixth hour on Friday.

The results of the Penny Drive were also announced, the Freshmen in first with \$51.18, the Juniors in second with \$15.43, the Seniors in third with \$3.47, and the Sophomores in fourth with -\$18.37. Freshman Nathan Schnell was the lucky student whose name was drawn to throw a pie at one of the football coaches.

The Homecoming theme chosen by the Student Senate was Nursery Rhymes. The themes chosen by the individual classes were as follows: Freshmen-"Jack and Jill went up a hill to mutilate the bearcats"; Sophomores-"The old lady in the shoe will walk all over you"; Juniors-"Bearcats, Bearcats have a great fall"; and Seniors-"Hickory Dickory Dock, It's victory time on the Vulcan clock."

In the hall decorations the Juniors came in first place, Seniors second, Freshmen third, and Sophomores in fourth place.

This year each class also made a banner to be judged. In first place were the Freshmen, in second the Sophomores, in third the Seniors, and in fourth place were the Juniors.

At the parade, the floats showed off

the work and creativity done by each class throughout the week. The results of the float competition were announced at half time. In first place were the Juniors, in second the Seniors, in third the Freshmen, and in fourth the Sophomores.

The overall winners of Homecoming 1993 were the Freshmen, in second place were the Juniors, in third the Sophomores, and in last place were Seniors.

Also at half time the representatives and Queen's Court were introduced. This year, because of a tie, we are lucky enough to have two Homecoming queens: Bobbi Jo McGeshick and Sally Blossom.

Following the Vulcan victory over the Bridgeport Bearcats, many students enjoyed the Homecoming dance sponsored by our yearbook staff.

Congratulations to everyone who helped make Homecoming 1993 a success.

This year's class representatives are: Freshman Lindsey Raney, escorted by Craig McCloud; Sophomore Anessa Kern, escorted by Kevin Hecht; and Junior Holly DuBay, escorted by Joey Callahan.

The third place Freshmen float; "Jack and Jill went up to mutilate the bearcats."

The fourth place Sophomore float; "The old lady in the shoe will walk all over you."

Angie Cramer along with other S.A.D.D. carried their banner with a very true message.

Cheerleaders Amanda Opperman and Stacy McCloud show their Vulcan Pride in the Homecoming parade.

The Junior first place float; "Bearcats, Bearcats have a great fall."

The second place Senior float; "Hickory Dickory Dock, it's victory time on the Vulcan clock."

## VINCENT SHATTERS RECORD!

By Jesse Buchinger

Senior Jason Vincent has set an all time record for single-season rushing with 1,153 yards on 143 carries. This breaks Jim Baranski's record set in 1973 with 1051 yards. Jason finished second in the area in rushing and first in the league in scoring with 106 points.

Vincent started the year by rushing 100+ yards in the first three games. After a 52-yard game against Caro, Vincent rebounded back to two unbelievable nights of 203-yards against Bridgeport and 208-yards against Birch Run. The last three games of the year Vincent averaged over 100 yards including 183-yards against North Branch, the game in which he broke the record.

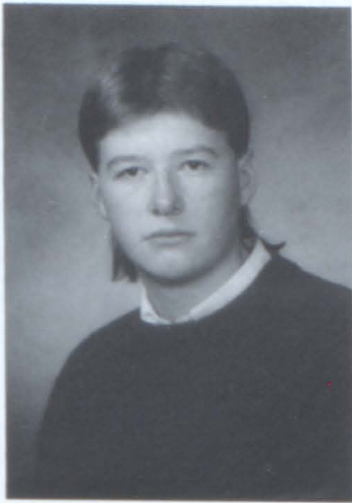

Jason's running had much impact on the team this year. He was the team's offensive spark, and he had the ability to make a big play when the team needed it. Vincent doesn't take all the credit himself though. "The only reason I ran so far was due to the outstanding offensive line in front of me," he commented. Jason had a couple of people who influenced him throughout the season. Jason's relationship with his father, Randall Vincent, had much impact on him. Jason comments, "My dad has a big influence on me because I want to impress him." Also he feels that Coach Chapman had one of the most impacts on him because "Mr.Chapman really knows how to motivate you to try your hardest."

## KNOLL HEADED FOR N.M.U.

By Jesse Buchinger

Senior Randy Knoll has chosen to attend Northern Michigan University. After months of debating, Knoll chose Northern over many other colleges. Knoll was also recruited by Saginaw Valley State, Ferris State, and GrandValley State. While on his football scholarship, Knoll will be studying Business Management. Knoll commented, "Although it is very cold in Marquette, I will be playing in the Northern's Superior Dome. The coaches were a large part of my decision, because they stressed academics along with athletics."

Knoll, 6-3 and 215, made 41 solo tackles, and 35 assists. He also caused 6 fumbles, 5 of which he recovered. On the offensive side, Knoll caught 25 passes for 238 yards. He also handled the team's kickoff and extra-point duties. From his linebacker position and his tight end position Knoll has been unanimously selected first-team Tri-Valley Conference the last two years. Knoll was also selected on the Saginaw News Dream Team. For the last two years he's been named to the Detroit Free Press's Honorable Mention All-State.

"He's the best kid I have had in the last 20 years, not in just football but also in school and as a person," stated Coach Chapman.

Knoll is also very well known in basketball, baseball, and track. He has received All-Conference awards in basketball and track. Randy, who is graduating with a 3.4 grade point average received the Alpha Beta award for each of his first three years at Vassar.

Josh Asperger, a classmate of Randy Knoll said, "Randy is a very supportive and is a positive influence on everyone."

We wish Randy Knoll the best of luck at Northern Michigan University.

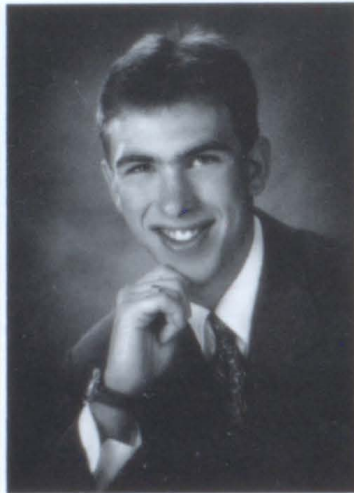

## DAN & JEFF'S AUTOMATED CHRISTMAS LOCKER

Dan and Jeff's Automated Christmas locker was once again a point of interest this past December. When asked why they constructed such a thing, they replied, "It seemed like a crazy idea last year, but we built it anyway. This year, everyone kept asking us if we were going to do it again, so we felt we had to. It was kind of neat to see everyone smile or chuckle as they walked by. Also, our holiday locker gave us the opportunity to play music in the hall, serve candy and food, and drink egg nog."

Dan and Jeff also decorated their locker this year for Comehomeing, complete with a tape of the school fight song. Dan and Jeff along with their decorations will be missed next year. However, Jeff did leave his locker shelf to the recipient of locker 170, so we can only hope that this person will carry on the tradition.

For the third season in a row, the Varsity football team finished the season with a winning record of 5-4. The team was often feared by the competition because of the awesome defense that was on display every Friday night. That defense was led by The Saginaw News Dream-Team linebacker Randy Knoll.

Another reason for being feared by the competition was the skills of senior running back Jason Vincent. Vincent rushed for a phenomenal 1,153 yards on 143 carries, breaking a school record set in 1973 by Jim Baranski.

The Vulcans started off the season against Carrollton.

Next, the Vulcans lost a heartbreaker to the long time rival Eagle's of Frankenmuth 22-27. Garber was next on the schedule. With some extra incentive (unknown vandals struck the night before), the Vulcans prevailed 20-14. After the contest with Garber the Vulcans went on to battle Caro. The league champion Tigers were able to pull this one out 24-7. After the loss to Caro, the Vulcans bounced right back to defeat the Bridgeport Bearcats on Homecoming. Vincent had his best game of the season, gaining 203 yards on just 12 carries. The game ended up with the Vulcans on top 63-27.

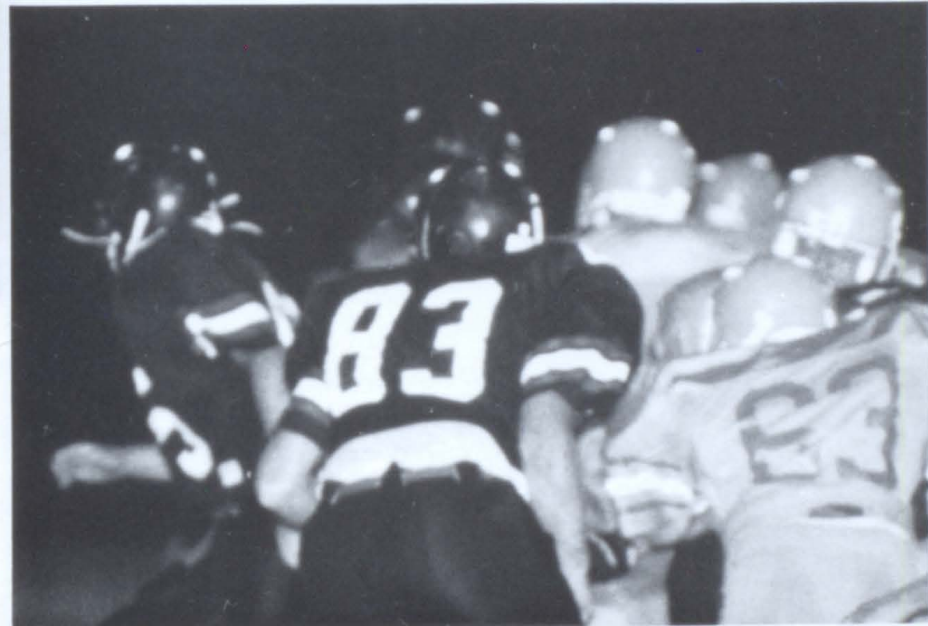

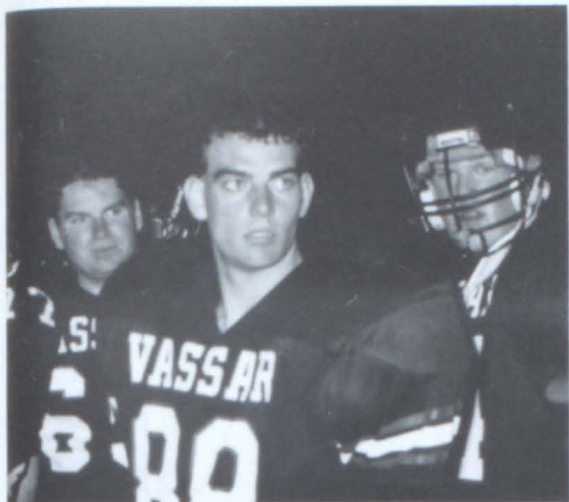

In the second half of the season, the Vulcans picked up right where they left off, demolishing Birch Run 49-22. A new single game record for yardage was set in this game with the Vulcans piling up 516 yards, most of which was on the ground. Next the Vulcans were beaten in a close one against Millington 20-12. After being defeated by the Cardinals, the Vulcans bounced back against North Branch 49-14. Vincent broke the record in this game (see story page 12). The final game of the season was played in Reese, where the Rockets prevailed over the Vulcans 14-13.

Congratulations to the following football players who received **All Conference** honors: **1st team Offense:** Randy Knoll, Dallas Lintner, and Jason Vincent; **Honorable Mention Offense:** Jerry Ellis, Micah Kern, Jamie Pintar, and Troy Tedford; **1st team Defense:** Dan Stedry and Randy Knoll; **Honorable Mention Defense:** Jeff Mathews, Joe Callahan, Dan Kihn, Jason Jacot, Jerry Ellis, Lloyd Jobson, and Adam Barden. Also to **Most Valuable**-Randy Knoll, **Most Improved**-Adam Barden and Jamie Pintar, **Coach's Award**-Chad Lawrence.

This year's Junior Varsity Football team boasted a record of 5 wins and 4 losses. They defeated the Carrollton Cavaliers, Garber Dukes, Bridgeport Bearcats, Caro Tigers, and the Reese Rockets.

The Vulcans lost to the Frankenmuth Eagles due to a thunderstorm that stopped the game at halftime.

Also handing the junior Vulcans losses were the Birch Run Panthers, Millington Cardinals, and the North Branch Broncos.

Coach Ernie Huizer commented, "The kids were 100 percent better this year than last. They performed far above expectations."

The members of the 1993 Freshmen football team (front l-r) are: Chris Burgdorf, Bill Anthony, Earl Fabbro, Scott Sabo, Justin Gohs, Eric Johnson, and Jody Haynes; (middle l-r) Justin Eaton, Dustin Kern, Jeremy Coubier, Ryan Baldwin, Adam Hornung, Bryon Killin, and Ben Mihora; (back l-r) Tim Boyce, Jeremy Burks, Craig McCloud, David Kuczynski, Owen Roberts, Tony Clark, Mike Krause, Matt Kanyok, and Coach Martin.

The season was long and difficult but the players gave all they had for everything that they accomplished this season. Every game was very exciting no matter what the score. The team showed improvement throughout the entire season.

The team crawled out to a 0-3 start, but ended the season on a good note, with a 22-20 victory over the North Branch Broncos. This is all because of hard work and the will to win.

# FOOTBALL CHEERLEADERS

The members of the 1993 Varsity football cheerleaders (front l-r) are: Coach Melissa Koch, Amy Kern, Sara Blossom, Joni Seal, Sara Ewing, Stacy Gleeson, Cameo Johnson, Candice Barnes, and Angie Leach. Missing is Kerensa Dietrich.

The Varsity Girls Basketball team gave the rest of the conference someone to worry about next year. They proved their ability to step up to the occasion when they survived in the district tournament all the way to the championship game against Frankenmuth. They proved there is a lot of ability on the team, a lot of which is returning next year.

The Lady Vulcans finished with a record of 8-13 including districts. Their conference was much improved from last year going 5-9.

Honorable Mention All-Conference awards went to senior Bobbi Giddings, junior standout Holly DuBay, and hustling junior Ginny Bergdolt.

Team awards were also given out by the coaches. Coaches award was given to senior Sara Heckman. Junior Janel Keinath received Most Improved Player on the team and outstanding senior Bobbi Giddings received the Most Valuable Player award.

The Vulcan Golfers finished this year's season with a fine 9-1 record. They had the best match record in the Tri-Valley Conference, but came up short on a bid for the conference title, and settled for a tie for second.

Fred Rose led Vassar to its first victory over Caro in more than five years with his season best of 41.

Josh Asperger tied the school record for the lowest score in nine holes with a 34, and named to **All-Conference Honorable Mention**.

Jacob Asperger was named to the **Second team All-Conference**,

At the awards banquet, Josh Asperger and Jesse Buchinger received four year awards (see top two photos.) The Cross Country season went extremely well this year. Both teams had individuals qualifying for the state finals. Sophomore Kate Fall won the state championship shattering her personal and school record.

Kate said earlier in the season that her goal was to someday win state, and she did just that by running a three and one-tenth mile course in 19 minutes and 11 seconds. Kate also was also on: 1st team All T.V.C. East and 1st team All T.V.C.

There were four other individuals qualifying for state. Senior John Wachowicz not only went to state, but also was on 1st team T.V.C. East; 1st team All T.V.C.; and 1st team All Advertiser. Junior Chris Fall was on 1st team T.V.C. East, and 1st team All T.V.C. Sophomore Ryan Esterline also was on 1st team T.V.C. East; 3rd team All T.V.C. along with being a state qualifier. For the girls' team Junior Dawn Fillhard and Kate were the only state qualifiers.

Congratulations to the following athletes who also received special awards at the banquet: John Wachowicz and Kate Fall **Most Valuable Player**; Anthony Oprea and Angie Sohn **Most Improved Player**; and Chris Fall and Tammi Shepherd **Coach's Award**.

More students were involved this season which made the team even stronger. Senior John Wachowicz noted, "the team's success was due to everyone working their best to reach their own goals."

The members of the 1993 Girls' Cross Country team are (front l): Angie Sohn, Mary MacDermaid, Ronette Germain, Dawn Fillhard, Bridget Putman, Tammi Shepherd, and Michele Hagaman; (back l.) The Vulcans ended up losing a couple of games by a small margin, which possibly cost them a league championship. Vassar came into the Districts with a winning attitude for their second-round game against Millington. Despite losing both games in the regular season, Vassar won by the score of 68-34. In the District Championship game, Vassar came up short against Bridgeport, even though they had a 19 point lead at halftime.

At the awards banquet after the season, Charles Vogenski was named Most Valuable Player; Jeff Mathews was named Most Improved Player; and Jesse Buchinger received the Coach's Award.

# COMEHOMING

By Jen Eaton

This year's Comehoming festivities proved to be a big success. The Vassar Vulcans, who hosted the Garber Dukes, played the game with a lot of heart, coming up with a win.

The theme for this year's Comehoming was Mythology. The floats were truly creative and showed that Vassar students have great school spirit. Coming in first was the Freshmen float, followed by the Seniors. Juniors took third, followed by the Sophomores in fourth place.

The Freshmen proved to have the most school spirit by winning yet another spirit jug.

The Juniors were convinced the Vulcans would surf their way to a victory.

The Freshmen float proved prophetic as the Vulcans defeated the Dukes.

The fans, revved up by the Sophomore float, loved the Vulcans' winning spirit.

The 1994 Comehoming Representatives are (l.-r.): Junior Don Fessler, escorted by Kelli Henry; Freshman Earl Fabbro, escorted by Stacy McCloud; and Sophomore Tyson Gilmore, escorted by Dee Dee Martin.

The 1994 Comehomeing King's Court included (front l.): King Micah Kern, escorted by Angie Leach; Jason Vincent, escorted by Sally Blossom; (back l.) Charles Vicenski ,escorted by Heidi Hecht; Dan Stedry, escorted by Amanda Opperman; and Randy Knoll, escorted by Lana Parker.

The Dukes were scorched, as the senior float predicted.

Senior Mike Allen got the crowd moving with his upbeat message about the Vulcan team spirit.

"Toga"-ed out on Toga Day were: (front) Sarah Alexander; (back l.) Laura Blossom, Matt Terry, Jamie Huizar, Steve McCullough, and Mrs. Schury.

Senior Heather Stewart looks cool, calm and collected in her PJ's as she works on hall decorations.

One was the record for the 300 m. hurdles, which was broken by senior Kristin Withers with a time of 48.3 seconds. The second, the record for the 400 m. dash, was broken by sophomore Ronette Germain with a time of 1:01.1. And last, but certainly not least important, was Kate Fall and Ronette Germain qualifying for the state meet. At this meet, Kate Fall won an 8th place medal for the 3200 m. dash. All in all, Coach Carnes seemed to feel this year's girls' track team was a very positive one.

## Chapman is Asst. Coach of the Year

"A man is not measured by the number of w's in his life; his character and heart are judged by the number of times he picks himself up and challenges the odds. Class and pride define a winner." That is the saying posted outside this year's regional assistant football coach of the year, Mr. Clyde Chapman.

Chapman, who has been coaching football for 18 years at Vassar, is currently the defensive coordinator and offensive back coach. Chapman is the first Vassar assistant coach to earn the honor. However, Coach Walter Purigroski won the award for head coach in '77.

"It doesn't matter who wins or loses. The attitude and effort will determine who is successful," comments Chapman

regarding his philosophy on football.

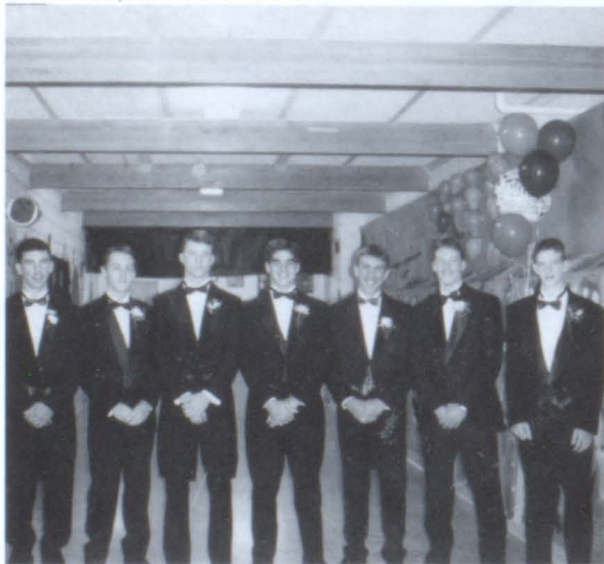

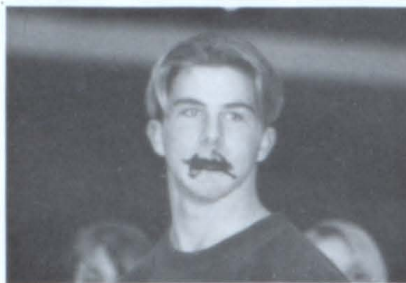

Regardless of how the seasons turn out, he noted he sometimes becomes closer to the athletes in less successful seasons than he does in good seasons, "because of their attitude and how hard they work."

Regarding the work ethic, he adds that, "Win or lose, all that matters is that the individual knows he played hard. Football is like combat. You don't fight for your fans or coaches, you fight for the man who plays next to you."

Congratulations to Coach Chapman and good luck in all the seasons ahead.

Students with problems naturally seek out other students, or teachers, whom they trust. They seek them out for advice, assistance, or just a sympathetic ear. Natural Helpers are chosen by a survey given to high school students. They receive at least 30 hours of training in a retreat setting to improve their helping skills and to learn how to help others make their own decisions.

Natural Helpers also experience the special feeling that comes from helping someone else and knowing that they have made a difference.

While at their training retreat the students participated in many activities. Some of these are shown in the pictures here. (Photo top l.) Dan Kihn imitates a chicken in the hopes of finding others of his kind; Doug Palmer, Brian Pepera, Michelle Gillman, and Mrs. Parsell participate in a labeling lesson; Angela Clark, Doug Palmer, Melissa Bell, and Micah Kern finally find the group they belong in.

**Mr. Whitney is retiring after 36 years in the teaching profession.**

After 36 years of teaching, Mr. Whitney, who says he has not aged one bit since he started, is leaving the field to begin a well-earned retirement. He says that "teachers have found the fountain of youth, especially when all the people you work with are not older than 19, you always feel young."

He says he is not really retiring, just changing scenery, as he plans to work with his wife Nancy in their catering business, started several years ago, and help out at the deli which family members opened last year.

He feels that there has never been a dull moment in teaching, but "that fads come and go. Some have helped the kids, some others have cost the kids a lot."

When asked how students have changed during the years, he responded that "Many things about students have changed, including their values. They have also changed in the manner of not accepting a challenge."

Advising those who want to go into teaching, Whitney, says that they should "enter with 100% effort, give all your energy."

Whitney, admitting to mixed feelings about leaving, says that "I would do it all over again."

"I enjoy my job, but all good things must come to an end. I will miss the good staff here at Vassar, and I will miss the super student body," says Mr. Barnett, retiring after 38 years at Vassar High.

"Every year has been a highlight for me. I have seen a lot of good academics and good sportsmanship. A major enjoyment has been teaching the second generation of so many Vassar families," he noted. Barnett proceeded, "Kids have not really changed, they still are enjoyable and most are good workers."

When asked about retirement plans, he replied, "Probably golfing, traveling to Florida, and spending time with my granddaughter."

For those people who want to enter into teaching, Barnett says they should just do it, adding that it is a "very rewarding career."

As for himself, he says "I have no regrets, no questions that I would do it again."

**Mr. Barnett is retiring after 38 years at Vassar as a teacher and coach.**

Both Mrs. Schrader and Mrs. Nordquist agree that anyone entering the field of educational responsibility better know their computers! "Before computers everything was done by hand," noted Mrs. Nordquist. "It all gets done so much quicker now!"

Mrs. Schrader recalls that when computers were first brought into the school, "I had to learn how to use them just to do my job. I say to anyone entering this field, 'learn to use a computer as much as possible.' It taught me a lot about myself and my ability to adapt to any situation."

Both admit that they will miss the student body and staff very much. Both have many fond memories here and particularly enjoyed their trip to Spain with the Spanish group in 1976. Their love of traveling will serve them well in retirement as both plan to see more of the world.

**Mrs. Nordquist and Mrs. Schrader will be retiring this year to enjoy some time traveling around the United States.**

Congratulations also to Mr. Fricke at the Junior High, Mrs. Essenmacher at Townsend North, and Mr. Bulko at Central, who are also retiring this year. We wish you all well in the future.
