Homecoming 2000

Homecoming 2000 was a fun time for all. After the pep assembly, where we watched students dig into cheese balls, see how fast they could roll a taco and play tug-of-war (which the juniors won!), the students gathered downtown for the annual parade.

The float competition, all variations of fast foods, was won by the juniors as well.

Half-time activities concluded with Hannah Espinoza and Josh Heinlein winning the honors of Homecoming Queen and King.

By far, the most exciting part of the night was the when our very own Toga Man (Derek Hogan), attempting to put his torch out, caught the sidelines on fire. This was definitely a Homecoming not soon forgotten.

Jack Merry and Sarah Worth

The 2001 Icefest theme this year was "A Winter Wonderland". Spirit week started off the Icefest festivities with students dressing up to show their school spirit. The spirit days ranged from Dress for Winter Day to the traditional Orange and Black Day. Each class also created banners that were hung in the gym, with the Seniors winning the competition. On Friday evening, Jack Merry and Sarah Worth were announced King and Queen between the J.V. and Varsity boys' basketball game. Icefest ended with the "MORP" dance after the game. All in all, Icefest was a memorable experience and an enjoyable time for everyone.

Prom

by Heather Stuart

On May 5th 2001, the juniors and seniors spent all day, their parent's money, and their well accumulated energy on a night of dancing, food, fun, and about ten-thousand pictures, which was if I do say so myself, well worth it. It was a night of looking your best and feeling as close to a superstar as we probably ever will. This year Prom was held at the Black Forrest in Frankenmuth, which was a elaborately decorated place with a very elegant atmosphere. Everyone started toward Frankenmuth at about 5:00 to get even more pictures than we already had at home. The delicious dinner was served at about 7:30 and the menu consisted of a variety of salads, chicken, pasta, and roast beef. At about nine the party began with a colorful array of music that made for an awesome dance. The most nail biting part of the night was when it came time to announce the prom king, queen, prince, and princess. This year's prom prince and princess were John Buckley and Kate Blossom. The king and queen were Troy Zwerk and Kristyn Van Wormer. Congratulations guys, you all deserved it! Prom was a night of fun, and fantasizing, and over all I am sure we can all agree that it was a great success.

Choir

The Vassar High School Choir had a busy, yet funfilled year. Even though students have to suffer through having to be at school at 7:30 in the morning, the choir is filled with talent and enthusiasm. This year, the choir had the opportunity to perform many times during the Christmas season, but two of their performances got cancelled due to winter weather. This caused the choir to have their Annual Christmas Concert in January. The concert was filled with many seasonal songs and tons of dancing and fun.

The Spring Concert was a tribute to the music of the 20th Century. Each decade was fairly represented, with many surprises along the way. All in all, this year's choir had a blast and had much to be proud of.

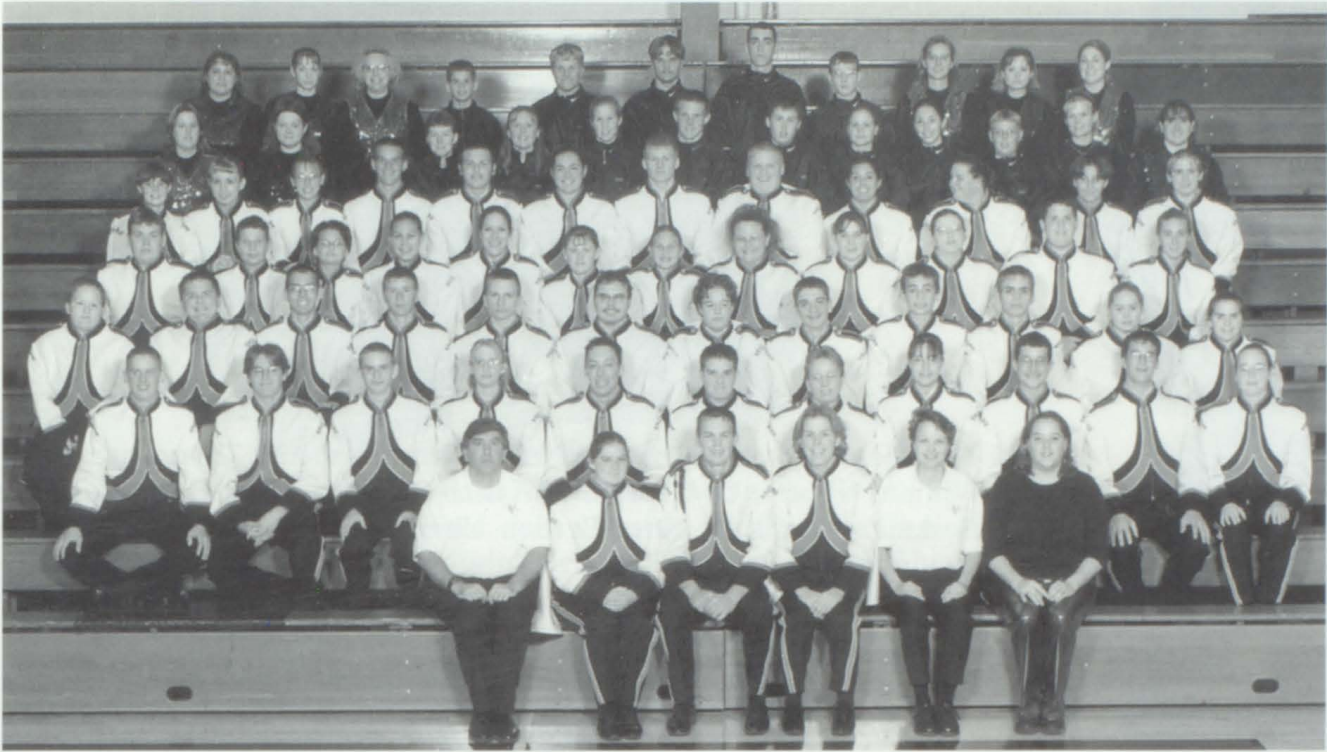

On September 30, 2000 the Vassar Vulcan Marching Band attended the Michigan School Band and Orchestra District 3 Marching Band Festival. They competed alongside 20 other bands for high scores based on their marching ability. The competition revolved around three areas of skill: the students' ability to march, ability to play music, and the ability to put on an overall great show. Vassar Band showed the judges just what they were made of and took home a rating of I, which was the highest rating possible. Congratulations Vassar Marching Band!!!

trends and technology

Descent of the Mir space station raises fears that it will cause damage when it reenters the earth's atmosphere. Once the pride of the Russian space program, the outdated Mir became a casualty of aging technology.

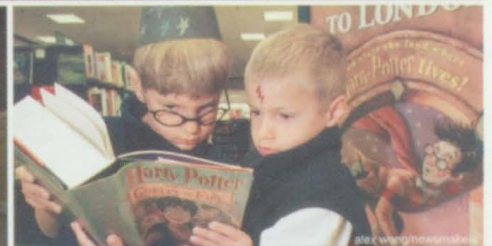

The engineers at Volkswagen Automotive do it again with their new Microbus. Designers were able to pull off a new look for an old cult favorite, while incorporating a vision for the future. Surfboard optional.

Sony releases the PlayStation2 to the North American market in October 2000. The unit is equipped with DVD movie playback, an expansion bay, and a network adapter. Way cool!

Hitting streets and towns everywhere, scooters, better known as Razors, became the trendiest new form of teen transportation.

The Harry Potter phenomenon captivates fans, bridging both gender and age. Created by J.K. Rowling, the series of four books revolves around Harry Potter and his adventures at Hogwart's wizardry school.

Apple introduces the G4 Cube, equipped with top-loading writable CD drive and a fan-free cooling system for a completely silent workspace.

Samsung releases the Uproar SPH-M100, MP3 cellular phone. No bigger than a large pack of gum, it can be used to download and play MP3 tunes.
