Bring your life to life, stop planning, start doing.

Take charge, control your actions and desires.

Buckle your seatbelt, shift your life into gear, and step on the gas.

Live for today, because today can change the outcome of tomorrow.

Today, drive towards your future.

You are the driver of your life, not the passenger.

Cherish the life you live, dream to achieve.

To the class of 2010, it is our time,

Step on the gas and enjoy the ride your future holds.
