Varsity Football

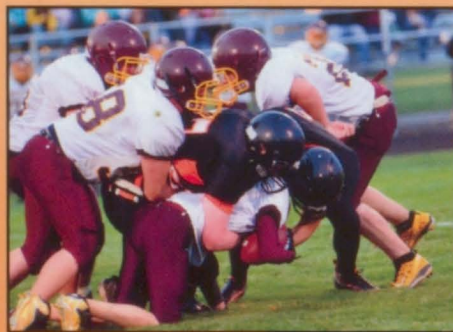

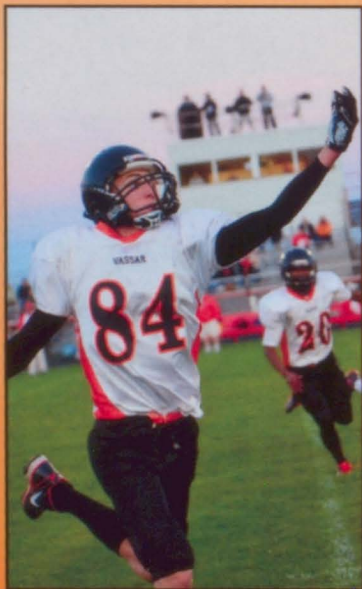

The Vulcans had a successful season, ending it at 7-3. Senior Captain Tanner MacKay said, "We accomplished quite a few things this year, however, it would have been nice to go a little farther into the playoffs and possibly win the conference championship." Next year the Varsity team will have eight returning starters and will be looking to improve upon their winning record from this year.

FOOTBALL CHEERLEADING

This Football Cheer Season was different from ever before. It was made up of girls who haven't had the opportunity to work together yet. The team pulled through with a very successful season overall. They went to camp in August and learned a lot of new cheers and stunts to entertain the raving Vassar Varsity Football fans. The team was made up of two Freshmen (Angel Heit and Cailyn Cain), three Sophomores (Morgan Miller, Serena Bragg, and Teddy Wingert), five Juniors (Elizabeth Colosky, Kristen Wischman, Kaitlyn Maitland, Ashley Partridge, and foreign exchange student, Vera Fischer), one Senior (Crystal Pudelko), and one Mascot (Morgan Baker).

Volleyball this year was interesting with all the new players. Our team was heavily reliant on the underclassman this season. We faced a lot of issues with our lineups and everything was always changing, but it led to, like we said, a very interesting year. We increased our record from last year by two wins and had a great season together. With such a young lineup, we know the team will only improve from here. We had a great last season with these girls and encourage that they enjoy every last minute.

Cross Country

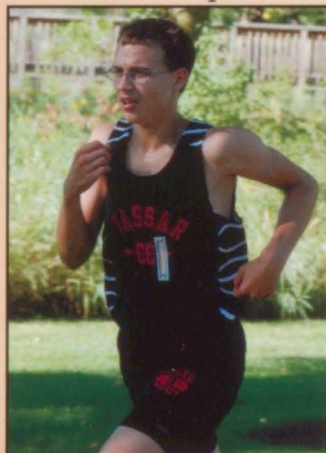

”As the captain of the 2012 Cross Country team, I would like to thank everyone who came out for the season. This year I won the Greater Thumb Conference West, while Tom Goforth placed 3rd, and Dewey Rapson placed 6th to earn 1st team All Conference. Also, Maxime Groen earned 1st team All Conference by placing 3rd. She also has the 3rd fastest time in Vassar High School history. At the Regional Meet I placed 7th while Tom and Dewey took 10th and 11th. All 3 of us qualified for the State Meet at MIS. It was a great season and good luck to the team for all years to come. Good luck to Coach Bissell to the rest of her years as head coach.” -Andrew Oprea

"The Varsity basketball team started off the early season with a tough schedule, facing the best teams in the area. The team had several underclassmen step up to fill big roles on the court. The team finished third in conference, while having a huge win over Reese at home. I feel the season was very fun and feel everyone learned to play well with each other. The team finished with an overall record of 9-12."

VARSITY GIRL'S BASKETBALL

"This season was definitely an interesting one. We struggled every single game to simply have enough girls to have a starting 5. Between low numbers and a solid amount of underclassmen, this year was a lot different than what most people expected. Even with odds stacked against us, however, we pulled through with a pretty solid season and had a lot of close games, both winning and losing by just a few points. I enjoyed the season just the way it was and I hope all of our baby freshmen and sophomores keep playing and striving to end with a winning season. It goes by a lot faster than you think so cherish every moment of every sport you play."

Gymnastics Season 2012-2013 was not only an amazing season, but also the year I told myself "this is the last chance I have to show myself, don't let the fear strike you down." With my positive attitude, I also changed the attitude of others, "you never know what you can do until you try." Supporting each other, helping each other, and spotting each other is what sisters do. We get angry at each other, argue time to time, but in the end we're family and proud of each other's accomplishments. If it wasn't for coaches giving us pushups whenever we said "I can't" or pushing us into doing something crazy I believe we wouldn't be the gymnasts we are today. I give credit to Coach C. and Coach P. for us believe we can do anything our heart desires if we just try. I also give credit to my sisters/teammates for supporting each lady on the team as well as never stopping believing "we can." "Fear is NOT an option!"

-Senior/Captain Olivya Salem

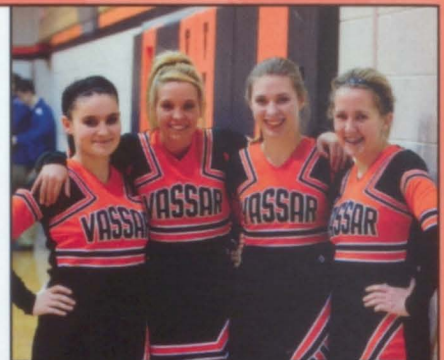

Star Spangled Banner

This season was different than what we have done before. This is the first time we didn't cheer at away games, but we still had fun. We got to show our peers how much we can do; showing them our libs, our torch, and new pyramids. The season flew by so fast but we had a lot of fun and came together so much as a team. We have all learned so many new things this season, as individuals and as a team, things that should make us proud. Walkovers, basket tosses, libs, facials, voices - everything you could possibly think a cheerleader should do...we did it.

Basketball Cheerleading

What a season! This season sure had its ups and its downs but we did so well. Bringing home our first trophies this season really showed how strong our season was, both first and second places!! In the beginning our Competitive team consisted of 13 girls and unfortunately finished with 11 but we still achieved our goals and did our best. We started out as such a young team, some of us not ever cheering before, and finished with a team who cared and trusted each other and could accomplish anything we set our minds, and our hearts, to.

It's A Vulcan Thing

The Michigan Interscholastic Horsemanship Association's District 14 just completed the 2012 fall season, and the Vassar High School team made a huge showing, leaving many other schools eating their dust! Meets were held at the Tuscola County Fairgrounds in Caro, and the Sanilac County Fairgrounds in Sandusky, on the weekends of September 8/9 and 15/16. The Vassar High School Team was very successful, scoring enough points between the 4-member (& 7 horse) team, to end the season standing 3rd in the "C" Division and 6th overall, out of 15 other "Thumb" Schools. Team members include: Freshman Cory Diedrich, Sophomore Liz Cypher and Juniors Patience Atwood and Eryn Diedrich. The team scored 195 points total, with Liz Cypher and Eryn Diedrich both taking home (2) 1st places, and Patience Atwood also scoring a win for the Team. Liz Cypher also made the Top 10, among the 57 registered riders.

HERO

Two high school football rivals - Vassar and Unionville-Sebewaing - came together to honor U.S. Army Staff Sgt. Travis Mills. Travis took to the field at the start of Vassar's football game, where he took part in the pre-game coin flip and gave his former team a pep talk. The community turned homecoming week into a special welcome home for our HOMETOWN HERO.

YOU'RE A GOOD MAN CHARLIE BROWN

The cast of You're a Good Man Charlie Brown: (back row l-r): Brandon Donnelly, Sarah McKenney, Mrs. Neuroth, Makayla Malow, Tyler Langley, Jessica Hecht, Kaitlynn Heyworth, Abigail Hecht, Mikayla Golden, Ashlyn Smith, Tiffany Aeshchliman, Garrett Daenzer, Zach Kingsley, Kristen Wischman, Thomas Collison, and Mrs. Rittenburg (front row l-r): Mrs. Hackett, Bailey Leach, Dewey Rapson, Teddy Wingert, and Melissa Ellison.

This fall, the high school drama club performed the musical, You're a Good Man Charlie Brown. The main role, Charlie Brown, was played by Brandon Donnelly. In the fun-filled musical, Charlie Brown learned to accept himself, embrace his flaws, and that friendship is one of the most important things in life. Although the story had many people captivated, it was everyone's favorite dog that stole the show. Snoopy was a fan favorite this year with his wild antics and exaggerated acting. Snoopy, who was played by Thomas Collison, made the crowd roar with laughter over and over again.

Youth in Government was a great experience for the past four years of high school, and I also did it both years of junior high. I learned a lot about government and politics. I also had the opportunity to meet a ton of new, different people and even made some friends that I still have today. Youth in Government was one of the most fun things about my high school career. I will always remember the fun times I had while there.

TRAVIS MILLS ASSEMBLY

After Homecoming week was all over with, Travis came to each of the schools and gave a speech. His speech at the high school was very motivating. He shared details with the students on his life experiences, about high school, college, the army, his family, and everything else. Mills even answered questions the students came up with before his arrival.
